By far the best leather scent out there. I live in rodeo country where nothing beats the smell of a new pair of boots or new tack. I even have had leather workers try it (hesitantly due to bad prior experience) and they said that it was the closest they had found even through name brand candle companies. Flies off my shelves and highly requested.

Black is the darkest color, the result of the absence or complete absorption of visible light. It is an achromatic color, a color without hue, like white and gray. It is often used symbolically or figuratively to represent darkness. Black and white have often been used to describe opposites such as good and evil, the Dark Ages versus Age of Enlightenment, and night versus day.
